

Back Issues of Historia Ophthalmologica Internationalis

The *First Series*, edited by Jules François as Chief Editor, were unlike the present journal, published in *German, French, Spanish and English* language.

Therefore:

For those visitors not mastering the French, German or Spanish language, we have extracted the English papers from Historia.

To read these English articles, please click on the Volume Number you would like to inspect.

English papers in [Volume 1](#)

English papers in [Volume 2](#)

English papers in [Volume 3](#)

Note:

Volume 4 consists of only 1 issue published for the German *Julius Hirschberg Society* and was therefore only printed in German.
